The crippled Lime Burners played a loose game, yesterday afternoon, and allowed Akron to win the contest by a score of 5 and 2. The principal cause of the defeat of the locals was due to the fact that they batted the ball around too much at critical times and the secondary cause was that they could not hit Goode, with any ease.

Burk did the heavy lifting for the Lime Burners and during the greater part of the game he pitched winning ball. The hard hitting Tip Tops were able to get but six hits off his delivery. Goode worked in fine style for Akron, but at times was very wild. After giving a few passes, however, he would tighten up and there would be nothing doing.

Akron got out on the hop in the first inning. Coffey was an easy out at first and Broderick worked Burk for a pass. Callahan hit to Mylett and short and was safe at first when that player fumbled the ball. East hit to center field, scoring Broderick, but Callahan was head at second. Then Callahan and East worked a double steal. Schwartz was out on a foul to Luskey, and Strood hit one on the nose for three bases, scoring Callahan and East. Eichberger went out from Burk o Dithridge.

When that time Mr. Burk tightened up and until the eighth inning there was nothing doing for the Tip Tops although they had men on bases at various times. After the first inning Akron only secured one hit until the eighth. In that frame Callahan hit a pop up back of Dithridge, which he tried to gather with one hand, and failed, Callahan making second on the play. East attempted to sacrifice and Burk who fielded his bunt threw to third too late to get Callahan. Schwartz fled out to Lucas and Callahan came in on the play. Strood and Eichberger were easy outs.

The visitors annexed another in the last round. Lalonde led off with a safety to right and Coffey followed with one in the same place, sending Mickey to third. Coffey was caught trying to steal. Lalonde scored the final run of the game when Burk made a wild throw.

In the opening round after Mylett had fanned, Flood drew a pass, but Farrell and Dithridge were easy outs and he was not advanced past second. The Lime Burners got busy in the second frame. With two out, Lucas, who played in left in Tate's place, slashed a hard one over the third sack for three bases and scored Marion's first run when Broderick juggled Luskey's hard grounder, Burk put up a fly to Strood.

In the third Mylett got a life and was sacrificed to second by Flood. Neither Farrell nor Dithridge was able to bring him in. In the next two periods there was nothing doing. Farrell started in the sixth with a double to the left field fence. Dithridge, Middleton and Deleann were all unable to connect safely with Goode's handers.

In the eighth, the locals had a real chance to do something, but the best they could get was one run. With

one out Flood and Farrell drew passes. Dithridge hit out a pretty bingle to left, scoring Flood. Middleton struck out and Deleann skied out to center.

Then in the ninth the Lime Burners had another of those golden opportunities to win the contest. With the score standing five to two against Marion, Jimmy Lucas was hit by a pitched ball and Luskey walked. Here things began to look dangerous and Manager East chased Goode substituting Breckenridge. The new twirler's first stunt was to pass Mylett filling the bases with one out. Flood fled out to Callahan and Farrell skied to East, ending the game.

#### BANDAGES AND HOT WATER BOTTLES.

It was another of those games where the hopes of the fans that Marion would win were kept up until the last man was out.

With the cripples in the game, Marion would have had easy picking yesterday.

In the last inning, with the bases full and one out, Tim Flood hit a long fly to right field. Lucas was on third base and could probably have scored on the play, and because he did not, there was much criticism in the stands. Lucas, by staying on third base played good heady base ball. The one run would have done Marion no good at all. Hits were needed to win the game. With three men on bases, a pitcher is worried far more than with two men on and had the others tried to advance on the play, one man might have been caught. With three men on bases, a pitcher has to put the ball over the plate, and the batter has that much more show to hit out a safe one. Criticism of this nature is very unjust to the local team, and those who criticize plays of that kind, only show their ignorance of the finer points of baseball.

Had Marion not played loose ball in the last two innings allowing the visitors to get two runs, the score would have been tied in the ninth inning as in that even Lucas would have scored from third when Flood fled out to Callahan.

That all-around player, James Lucas started yesterday afternoon in the left garden. Lucas had seven chances all of them running carbeas, and he accepted all in a manner that won the hearty commendation of the fans. In the second inning, James lashed out a three sacker. The little fellow plays the game with ease and grace from start to finish, and his sincere work has made him one of the most popular men on the local club.

Lucas did not catch up to his usual form by a long ways yesterday. He made no attempt whatever to get several pop outs that looked very easy and on several occasions allowed base runners to pitter bases without even making a throw to catch them. Get a little popper, Luskey, and you will do better.

Late last night, Manager Drumm

received a telegram from Manager Joe Cantillon, of the Washington American League club, stating that Marion may have the services of Ellwood, a crack first baseman, owned by that club, as long as they need him. The message also stated that Ellwood had left last night to join the team here. It is expected that he will arrive in time to get in today's game. In that event there will be another shift made in the team.

Manager Drumm does not deserve the criticism that is being put upon him for the present standing of the Lime Burners. Drumm got together a great team for Marion, and until his players were picked out by injuries, the team was within a fighting distance of first place all of the time. Player after player has been out of the game on account of injuries and the manager is working with might and main to strengthen up until the cripples can return to the game. It is pleasing to note that the directors of the club appreciate the earnest work of Drumm, and that they have not been influenced in the least by the knocking of those who think that Marion should stay at the top whether all the players fall dead or not.

Bill Dithridge made a pretty catch of a line drive from East's bat in the fifth inning. The ball had all the earmarks of a safe drive when Dithridge made a lunge and speared it with his right hand.

Hugh Tate, the popular left fielder of the team, who was hurt in Tuesday's game, was given a big ovation yesterday afternoon, as he came into the grand stand on crutches. Bobby Quinn, who accompanied him, was also given an ovation.

Goode, who pitched for Akron yesterday, in a left hander who recently joined East's squad. He was secured from the Steubenville team of the P. O. M. league.

Willmot and Armstrong will be the opposing pitchers in today's game unless June Pluv, who has over-looked these parts for several days, steps in and interferes.

#### NEWARK WINS ON FOUR HITS

Newark, O., June 19.—Shortall was not in form today, and he allowed Newark to tie the score after his teammates had batted out a victory. Good inside work won for Newark, and Stoupe was effective after Newark got a lead. Score:

	R	H	E
Newark	0	0	0
Sharon	0	0	0
Batteries—Stoupe and Pearce; Shortall, Muldowney and Mattison.			

#### NOCKS WIN TWO.

Mansfield, O., June 19.—Newcastle broke Mansfield's winning streak by taking both games of the double-header today. The first was a pitcher's battle between Bailey and Bowers, the Nocks scoring a shut out—Lloyd relieved Varnell in the fourth inning of the second game, but he was wild and Boshols finished the game, allowing one hit. The batting of Steen and Spears were featured. Score:

	(First Game.)
Newcastle	0 0 0 0 0 0 0 0 0 1
Batteries—Bowers and Brigger; Bailey and Brynmaler.	

	(Second Game.)
Mansfield	0 0 0 0 0 0 0 0 2 7 4
Newcastle	0 2 2 0 0 0 0 0 6 4 1
Batteries—Huckholz, Lloyd, Varnell and Brynmaler; Steen and Brigger.	

#### LEAGUE NOT IN DANGER.

Akron, O., June 19.—President C. H. Morion of the O. and P. league, has returned from a trip around the southern and western ends of the circuit. He reports attendance good. "I see no reason why the league should be in danger of dissolution because of poor attendance," he said.

#### BASE BALL NOTES.

Tomorrow will be ladies' day at Webb park and a big attendance of the fair sex is expected. Ladies will be admitted to the park and grand stand free of charge.

#### HERE'S TO MIKE

A Sharon baseball fan, evidently disgusted with the way the Sharon club is playing at the present time has composed the following few lines:

It's easy enough to be pleasant When the game moves along like a song.

But the fan worth while is the one who can smile When the home team has dropped about fourteen straight, when the umpire is giving you the worst of it every day, when the infield is booting everything in sight in short

When everything goes dead wrong.

## THE EAST AND WEST

In the O-P. League are Doing Battle.

### CHANGES IN STANDINGS

Scheduled Before the Precent Series Closes.

A Little Drop From the Dopster on all of the Teams in the League and What They are Doing.

Youngstown, O., June 18.—A change in the ranking of the first division teams and maybe in the leadership of the Ohio and Pennsylvania leagues seems due to occur during the next two weeks when the eastern division teams will meet the western teams on the latter's home lots. Starting Sunday the downstate clubs on, terminated Youngstown, Akron, (New Castle and Sharon until a week from Friday and if being on their own grounds is any help to the home teams a change of berths will come about.

Never since the O. P. started have the clubs been so well hunched as they are now. Mansfield excepted, Mansfield ranking 215 below Marion in seventh place must win every home game during the eastern teams' campaign to be in the running and post performance make it appear that the Tigers will do well to even split even. Two weeks of losing by Youngstown, with a fortnight of winning by Marion on the seventh ring, the intervening teams splitting even, would put Ford Drumm's team in first place. Newark in second place now, and Lancaster on the fourth step, stand good chances of being in the lead when the eastern clubs return home.

Newark sprung a little surprise this week by slipping into second place. Manager Perryhill's men have been just plugging along and being rated as sure for the second division, little attention was paid to what they were doing. When the individual strength of the Molders is considered there is no surprise at their good showing. Their pitching staff is hardly second to any in the league and as a fielding team they have only one or two, if any, superiors.

The signing of "Doc" Abbott, the former Lancaster left fielder, has added a lot of strength to the team in all departments and gives Perryhill close to an all-star outfield. Newark's infielders rank up with any of the best in defensive strength, leaving the only weak spots batting and base running and in neither of these departments are the Molders weak. "Laddie" Linke, Newark's star south paw, has no superiors among the wrong sides of the league, and Ed Ascher, Stoupe and Locke are good right handers, especially Ascher. Newark has been playing ball which is the reason for the winning streak.

Lancaster came into the first division this week, displacing New Castle and Breen's team is beginning to look as dangerous as it was doped out to be. Servatus, the big hard hitting outfielder, was taken from the Lank ranks by Columbus this week, but he'll be back. Servatus was the real sensation for two weeks, but after the slambert got next to him, he began to look very ordinary. Manager Breen has three cracking good twirlers in Justus, White and Johns and this trio with the Lank's stand, look good to rank up with three on any other staff in the league, and good pitchers go long as toward making a winning team.

Marion has been the victim of almost as much bad luck as all the other teams put together. Bob Linde, man, the hard hitting first baseman, whose batting was winning game after game for Drumm's team and whose fielding is missed greatly, has been out of the game for two weeks with sore arm and may be out for the same period longer.

Last week, Bobby Quinn, the star center fielder and base runner, was put out, for at least a month by his shoulder being dislocated and Mylett and Luskey, shortstop and catcher, have not been in condition. Marion in the season, Captain Tim Flood was put out with a broken nose. Manager Drumm has strengthened some by signing Bill Dithridge, the former Zanesville and Akron shortstop, who was given a trial by Baltimore this spring. With the ranks being shot

## RISEING BREAST

And many other painful and serious ailments from which most mothers suffer, can be avoided by the use of "Mother's Friend." This great remedy is a God-send to women, carrying them through their most critical ordeal with safety and no pain. No woman who uses "Mother's Friend" need fear the suffering and danger incident to birth; for it robs the ordeal of its horror and insures safety to life of mother and child, and leaves her in a condition more favorable to speedy recovery. The child is also healthy, strong and good natured. Our book "Motherhood," is worth its weight in gold to every woman, and will be sent free in plain envelope by addressing application to Bradfield Regulator Co. Atlanta, Ga.

## MOTHER'S FRIEND

to pieces the Lime Burners played listless ball and now are bad seventh as the other teams rank. Drumm has a nicely balanced team and with every thing going right should be a contender for a good berth in the first division at least.

Manager Van Patterson has been getting good results out of the Sharon team, and what a change there is in "old Pat" since his elevation from captain to manager. He is fighting all the time and his team is doing likewise. Patterson has the material for a good team to bother the others all the way. Kerr, Sellers and Mathay are good hitters, while Sellers is all ways likely to sting the ball.

Sellers is playing third base, where he has been having fair success, but the change makes a good outfielder a fair infielder, to say the best of his diamond ability. Under Patterson's leadership last year's cellar champions are fighting until the very end, a missing quality early in the season, and they have been pulling more than one game out of the fire by staying untill the last. Akron got stung once last week in the eighth, Sharon scoring three runs and winning the game in next to the last round, and in the first clash this week with Youngstown, Patterson's brigade won out in the ninth.

Youngstown needs a new right fielder, or needs him badly, and right away. Lawrence, a god looker at the start, is away off his getaway stride in all departments. His effort with the stick causes the home crowd to groan. His usual performance in a pinch is to strike out. Lawrence's throwing has not been good; but worse than that he is puzzled on what to do with the ball after he gets it. The champs' pitching staff might stand an addition, too. Conston and Thomas alone have shown consistent winning form. Smith and Schettler, the other regulars, have pitched some grand ball, and have received several awful jobs.

#### MARTY HOGAN'S DREAM.

Zanesville, O., June 19.—"Manager Hogan is to run the Zanesville team, according to rules of discipline, even if he drops to the bottom of the percentage column. Today he signed Tate of Cleveland and has secured Bill Dithridge late of the Baltimore Eastern league team. Another outfielder is to be secured when three members of the present team will be canned. Zanesville will prefer documentary charges against Umpire Mink with President Gay next week." The above telegram to the State Journal is merely another of the pine dreams of one Marty Hogan. Dithridge is not to be sold to Zanesville, and he has informed Hogan that he will play with his team under no conditions whatever. Dithridge refusal to play at Zanesville means that Hogan will not purchase his release from Baltimore.

#### RILEY GETS BACK.

Ed. Riley, of Columbus, an outfielder, who was with the Lime Burners during the training season

#### GUILTY OF MURDER
